MSHSL Basketball Shot Clock Rules Modifications

All MSHSL varsity basketball contests will follow NFHS shot clock Rules as identified on pages 74-76 of the NFHS Basketball Rules Book with the following modifications:

RESET to 20 seconds or the time remaining on the shot clock, whichever is greater, when:

1. There is a personal or technical foul committed by the defensive team prior to a try for goal which hits the ring or flange, and the ball is to be inbounded in the frontcourt by the offense.
2. There is a kicked or fisted ball by the defensive team and the ball is to be inbounded in the frontcourt by the offense.
3. There is an inadvertent whistle when there was no player or team possession, and the AP arrow favors either team for a throw-in in its frontcourt.

RESET to 20 seconds when:

1. The offense gains control of the ball in their frontcourt after an unsuccessful field goal attempt that contacts the ring or flange.
2. The offense gains control of the ball in their frontcourt after an unsuccessful free throw that remains in play.
3. The defense is assessed with a foul after an unsuccessful free throw that remains in play, or an unsuccessful field goal that contacts the ring or flange, or during a successful try provided that the offensive team will inbound the ball in the frontcourt.
4. After the defense causes the ball to be out of bounds in the frontcourt following an unsuccessful free throw or an unsuccessful field goal attempt that contacts the ring or flange.
5. When there is no team control, after the offense is awarded possession in their frontcourt when the alternating possession arrow favors the offense following an unsuccessful free throw that remains in play, an unsuccessful field goal that hits the rim.
6. A violation occurs, other than an opponent causing the ball to be out of bounds or kicking the ball, and the defense is awarded the ball in its frontcourt.
7. After any double personal foul when only one of the fouls is intentional or flagrant, and it is assessed against the offense and the defense is awarded possession in its frontcourt.
8. After a shot that contacts the rim/flange is batted into the backcourt and out of bounds by the shooting team and the ball is awarded to the other team.
