VISUAL ARTS:

Judging Category Information:

Each school is limited to a total of 18 artworks. Please have 2-D artwork matted or framed with attached info card and artist statement (see shared drive). Students will be evaluated by 2 judges and can earn a Superior or Excellent Rating. Superior Awards will also receive a medal. On top of that, there will be work selected by the judges to participate in the State Exhibition held at the Perpich Arts Center in May.

Friday, April 19th, we are looking forward to meeting the talented artists! During this time, we will have viewing time for the artwork and have interactive art opportunities for everyone. To end the day, the judged category awards will be handed out and door prizes will be given out. LFCHS will provide some door prizes along with the door prizes donated by Blick Art Materials.

Lunch will not be provided, however, we are working with local restaurants to be able to provide you a boxed lunch at a reasonable price.

We look forward to having you all here and to celebrate all of our students' artistic accomplishments! If you have any further questions, please do not hesitate to contact us.
