

STUDENTS PROTECT YOUR HIGH SCHOOL ELIGIBILITY

MSHSL ELIGIBILITY AND SUMMER SPORTS PARTICIPATION

This information is intended to assist you in protecting your continued eligibility for high school sports. Review the following Minnesota State High School League rules which may affect your summer sports participation. **Contact your high school athletic director if you have any questions about these rules as you plan for summer sports participation.**

Bylaw 201 Amateur Status

A student may not participate in League-sponsored activities unless the student is an amateur in that activity. A student becomes a professional if the student participates with a professional team in a contest or accepts any of the following for participation in school or non-school athletics:

1. A salary or cash.
2. Merchandise valued at \$100.00 or more.
3. A share in the season profit.
4. An expense allowance for tryouts.

Golf is governed by USGA rules.

Penalty: A student who becomes a professional will be disqualified for further high school participation in that sport.

Bylaw 203 Camps and Clinics During the Summer

Student athletes attending summer camps or clinics must adhere to the following guidelines established by the Board of Directors:

1. A student may attend a camp or clinic where a salaried or non-salaried Sophomore, "B" squad, Junior Varsity or Varsity member of the coaching staff from the student's high school serves as an instructor or is a staff member during the student's attendance.
2. Camp, clinic and or team participation fees must be provided by the student or the student's parent(s) or guardian(s), unless other arrangements are approved by the League Board of Directors.
3. The non-school camp or clinic program shall not include any type of competition with teams from another camp or clinic.

Penalty: See penalties outlined in box on next page.

Interpretation:

- Q. Can a booster club pay the camp fee for a student or for groups of students?
- A. *No. Booster clubs and other civic groups can give money to a school for the school athletic programs, but the camp or clinic fee must be paid by the student or the student's parent(s) or guardian(s).*

Bylaw 204 Awards

Awards presented to and accepted by students shall be of a symbolic nature (under \$100.00 retail value).

Penalty: Ineligible for all further high school competition. The provisions of the bylaw do not void the right of a student to accept an award in a non-League sponsored activity. Acceptance of a prize for a sport or contest not conducted by the League such as bowling, boxing, rodeo, free throw contest, etc., would not make a student ineligible. Hole-in-one contests are governed by USGA rules.

Interpretation:

- Q. Does the acceptance of a jacket for being a member of a summer team constitute a violation of MSHSL rules?
- A. *The MSHSL awards rule states that: Items such as jackets, rings, jewelry, watches, merchandise services, trips, free or reduced price admission, in which the value of the award(s) exceeds \$100.00 and other like items of more than \$100.00 value would constitute a violation. If the value of the jacket does not exceed \$100.00, it would not constitute a violation.*

Bylaw 208 Non-School Competition and Training During Summer Vacation

Students may participate in summer activities through training at summer camps or clinics or participation on competitive non-school teams, provided that:

1. Activities are voluntary and students are not influenced or directed to do so by a salaried or non-salaried member of the student's sophomore, B squad, junior varsity or varsity high school coaching staff in that sport.
2. Students may not use any type of high school uniform or equipment including helmets, pads, etc. Exception: Goalie equipment may be issued by schools.
3. A student's fee for non-school coaching or training must be provided by the student or the student's parent(s) or guardian(s) unless approved by the League Board of Directors.

Summer Defined: Summer shall be defined as the period from the Saturday following the fourth Friday in May through Labor Day. Summer for the sport of soccer shall be defined as the day following the fourth Friday in May through the Sunday immediately prior to the official starting date of the MSHSL high school soccer season. Note: Students may participate in activities during the summer, as defined above, even though their high school sport season in the same sport has begun, i.e. students may play tennis tournaments or participate in road races through Labor Day. Soccer is excluded from dual participation as defined above.

Penalty: See penalties outlined in box on next page.
